Bleach brave souls system data failed

Ichigo Kurosaki Even when he had finally reached the life he had longed for, a life without the ability to see ghosts, Ichigo still felt something was missing. At that time, he met Ginjo and was dragged into learning to gain Fullbring's power. 13-01-2017 07:19 #1 What the hell is going on with my archeage? Right after this maintenance... I can no longer open my archeage. Firstly, I was getting failed to load game data. So I searched the foruns and found a correction, which tells me to change my version in the story.txt. Well, I did... the game starts updating and at the end of the update I get another error: update fail. 13-01-2017 10:50 #2 Page 2 01-13-2017 07:19 #1 What the hell is going on with my archeage? Right after this maintenance... I can no longer open my archeage. Firstly, I was getting failed to load game data. So I searched the foruns and found a correction, which tells me to change my version in the story.txt. Well, I did... the game starts updating and at the end of the update I get another error: update fail. 01-13-2017 10:50 #2 Good morning, I have already searched reddit and found no solution to the fix. I hope someone who has had this problem knows the answer. I was in the middle of downloading data for one of the phases when the internet stopped, I had to restart the app and now every time I try to play it says It failed to download the data, returning to the title screen! deleted the game, reinstalled the game, still unnecessarily. I deleted and made room at 5gig for this game, still useless. Does anyone have the answer? Page 2 14 comments The world of fully successful manga and anime Bleach arrives on Steam in this exciting 3D action game! Build a team using your favorite bleach universe characters! Exciting ACTION3D 3D graphics and simple controls make the hack-and-slash action free and fast-paced. Play in single player mode or team up with three other players for the online co-op! EPIC SPECIAL MOVESola the unique special moves of each Bleach character to carve out your way to victory. The special moves are completely voiced by the original Japanese anime voice actor. THE COMPANY OF THREECombinates your favorite characters into teams of three. You can also create character combinations that I would never see in the original story. The possibilities are almost limitless! RELIVE BLEACH'S HISTORY from the moment Rukia and Ichigo first meet. Develop your characters as you complete missions that recreate cardographic scenes from the story. PLAY WITH & AGAINST OTHER PLAYERSHead your best warriors against other players' teams and compete for the place in weekly PvP leagues, or go online and team up with other players on exciting PvE co-op missions and epic raids! DEVELOP YOUR CHARACTERSBrave Souls comes with a highly flexible character enhancement system that allows you to create exactly the warriors and team you want. Enter battle and gain experience to level up characters and improve their basic, basic, to increase their maximum level, train them on the Tree of Soul to further improve specific stats, or connect characters together to provide additional support. The choice is yours!
